ALBIS

Regulation (EC) No. 1907/2006 REACH

Dear Customer,

ALBIS PLASTIC Italia S.r.l. is a distributor of thermoplastic resins and as such we act as a downstream user in accordance with the REACH Regulation.

We confirm the REACH conformity of the following products currently manufactured by the ALBIS PLASTIC group at our production sites in the European Union:

ALBIS Additive Batch	ALBIS Production Aids (cleaner)	ALCOLOR
ALCOLOR FUNCTION	ALCOM	ALFATER XL
ALPERFORM	ALTECH	Cellidor
Custom-compounded pigments	Hostalen (coloured)	Lupolen Concentrate
Lupolen (coloured)	Novolen Concentrate	Purell (coloured)
SHELFPLUS	Styrolution PS (coloured)	TEDUR

You will find a list of our REACH compliant **distribution products** on page 2.

Our products are polymers which are exempt from the obligation to register. Therefore, our products do not have registration numbers and extended safety data sheets (eMSDS). The substances (monomers, additives, colorants) contained in our products have either been registered by our suppliers, are exempt from the obligation to register or excluded from the REACH Regulation.

You will also find this information on our website:

Best regards

ALBIS PLASTIC GMBH
Product Safety, Lab Hamburg

Any information given on the chemical and physical characteristics of our products, including technical advice on applications whether verbally, in writing or by testing the product, is given to the best of our knowledge. It does not exempt the buyer from carrying out his own investigations and tests in order to ascertain the products' specific suitability for the purpose intended. The buyer is solely responsible for the application, utilisation and processing of the products and must observe the laws and government regulations and the consequential rights of any third party. At all times our Conditions of Sale apply.
This confirmation expires after 36 months from the date of issue or in case of regulatory changes. Please ask for a new confirmation if needed.
