

MOCOM

Alcom® MED
Medical
Enhancing life

Alcom® Medical offers tailor-made compounds for the high requirements of the medical industry for medical, pharmaceutical or diagnostic applications.

With our technical and regulatory expertise as well as our customer-specific services, we reduce the complexity for your healthcare application. MOCOM offers you everything from a single source for Alcom® MED Compounds:

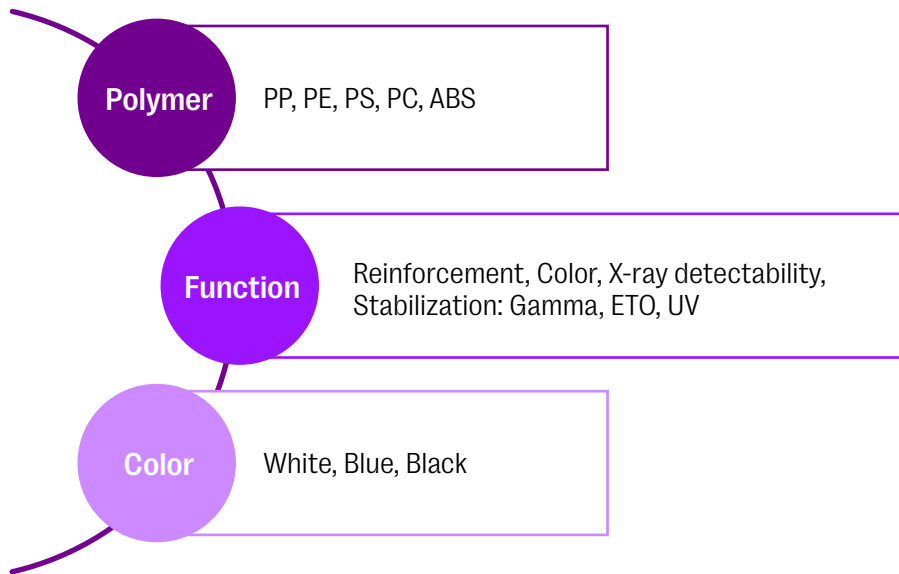

Depending on the exact requirements needed for a certain application, combined with customer specific requests such as polymer, color, filler or additive packages, MOCOM offers individual niche products based on a variety of polymers and functional product solutions for the healthcare industry.

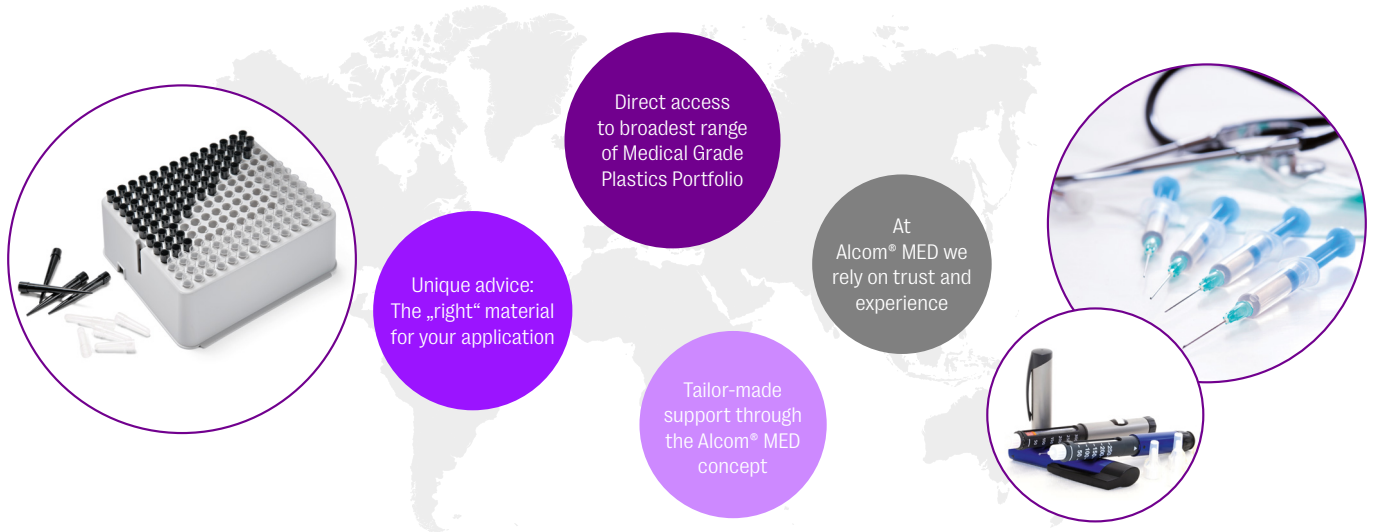

Alcom® Medical: the advantages at a glance

- Manufacturing according to GMP acc. to EC 2023/2006
- Food contact statements (EU/FDA) available
- Use of Medical Grade Plastics (MGP) according to VDI guideline 2017
- Statements, testing and/or certification against relevant chapters of ISO 10993 and USP class VI such as EP possible
- Notification of change (NoC) through individual agreements
- Full traceability

Our core competencies at a glance

Additional polymers, functions and colors are available on request.

Healthcare uses: The supply of any product by MOCOM for any medical, pharmaceutical or diagnostic application is conditional to an assessment by MOCOM in terms of compliance with MOCOM' internal risk management policy – even for products which are in general designated for use in Healthcare applications.

Important: Irrespective of product type or designation, MOCOM does not recommend or support the use of any products it supplies which fall into the following medical, pharmaceutical or diagnostic application categories:

- Medical devices categorized as risk class III according to EU Medical Device Regulation (MDR) 2017/745 or risk class 3 FDA
- Bodily implant applications for greater than 30 days (permanent implants) in any risk class
- Critical components in any medical device that supports or sustains human life except as otherwise explicitly agreed by MOCOM in writing.
