

Conflict Minerals

For the manufacture of the following grades produced by **MOCOM Compounds GmbH & Co. KG** in our European production sites:

| | | |
|----------------------------|------------------|-------------------|
| ALCOLOR | ALCOM | ALFATER XL |
| ALPERFORM | ALTECH * | CELLÍDOR |
| Lupolen Concentrate | SHELFPLUS | TEDUR |
| WIC | WIPAFLEX | WIPELAST |

Conflict Minerals (tin, tantalum, tungsten, gold and their derivatives; based on columbite-tantalite, cassiterite, wolframite and gold ore) according to **Regulation (EU) 2017/821** and as defined by Section 1502 of the **Dodd-Frank Wall Street Reform and Consumer Protection Act** have not been intentionally added during the compounding process and are not known to be present. Only ubiquitous traces may occur.

* Exceptions:

Grades of the following product groups are manufactured without the intentional use of Conflict Minerals as ingredients during the compounding process are not known to be present. Regarding the polymer base the absence of Conflict Minerals cannot be guaranteed:

- **ALTECH IQ**
- **ALTECH REG**
- **ALTECH REP**

Statements are available on request for the following products:

- Products manufactured by **MOCOM Compounds Corporation (USA)**
- Products manufactured by **MOCOM Compounds (Changshu) Co., Ltd. (China)**

Please note:

The **Conflict Minerals Reporting Template (CMRT)** is a **voluntary** tool for exchanging information throughout the supply chain regarding the country of origin of minerals and the smelters, refiners, and processors used for processing conflict minerals. Suppliers may use the CMRT to communicate this information to their customers, or they may use another tool of their choice. There is **no legal obligation to use the CMRT**. **MOCOM** reserves the right to **replace the CMRT with this statement and will therefore not be completing any CMRT templates**. Thank you for your understanding.

Any information given on the chemical and physical characteristics of our products including, without limitation, technical advice on applications, whether verbally, in writing or by testing the product, is given to the best of our knowledge and in good faith and does not exempt the customer from carrying out their own investigations and tests in order to ascertain the product's specific suitability for the purpose intended. The customer is solely responsible for confirming the suitability of the product for a particular application, its utilization and processing and must observe any applicable laws and government regulations. **NO EXPRESS OR IMPLIED RECOMMENDATION OR WARRANTY IS GIVEN WITH REGARD TO THE SUITABILITY OF THE PRODUCT FOR A PARTICULAR APPLICATION, SUCH AS, BUT NOT LIMITED TO, SAFETY-CRITICAL COMPONENTS OR SYSTEMS.** At all times, our general terms and conditions of sale apply. **This confirmation expires after 36 months from the date of issue or in case of regulatory changes. Please ask for a new confirmation if needed.**
