

Regulation (EC) No. 1907/2006 REACH

Dear Customer,

The **ALBIS Distribution Group** is a distributor of thermoplastic resins and as such a downstream user in accordance with the REACH Regulation.

The products we distribute are polymers which are exempt from the obligation to register. Therefore, the products do not have a registration number and extended safety data sheets (eMSDS). The substances (monomers, additives, colourants) contained in our products are either registered by our suppliers, exempt from the obligation to register or excluded from the REACH Regulation.

You will find a list of our REACH compliant **distribution products** on pages 2 and 3.

You will also find this information on our website:
